August 1909 and to request that Government may be pleased to sanction the expenditure of rupees one hundred and fifty from the funds of the Sungeri Municipality for the survey and other charges in connection with the preparation of a drainage project for Sungeri as desired by the Sanitary Engineer.

2 As this expenditure could not be foreseen when the Budget estimates for the current year were prepared and submitted for sanction of Government, no provision for it was made

Yours,

Terms and the sanctioned Budget does not accordingly provide for it.

3 The provision made in the sanctioned Budget for the current year under the several heads is barely sufficient to meet the necessary expenditure during the year and no saving can possibly be effected under those items

4 It is therefore requested that Government may be pleased to sanction the above referred extra expenditure of rupees one hundred and fifty from the available municipal balance which at the

commencement

5 An extract from the Proceedings of the municipal meeting held yesterday is herewith submitted.
